## Reception Maths Long Term Curriculum Overview

This overview is designed to run alongside the Reception White Rose Schemes of Learning found here. The scheme, which is broken into blocks, has been mapped across the academic year and reflects the content covered in the schemes of learning. These long-term overviews show the block and the small steps which have been plotted into specific weeks. There is also the vocabulary that should be taught, which matches the vocabulary progression documents.

Within certain weeks, there is also reference to applicable Numberblocks videos that can be used to help facilitate children's understanding of early number. A link to these videos can be found here. There are also linkable text listed for each block.

Consolidation weeks have also been put in at certain times to accommodate any revisiting of content.

## Small steps for the whole year have been mapped.

| Autumn 1 | Week 1 | Week 2 | Week 3 | Week 4 | Week 5 | Week 6 | Week 7 |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Block | Getting to know you | Getting to know you | 1. Match, sort and compare | 1. Match, sort and compare | 2. Talk about measures and Patterns | 2. Talk about measures and Patterns | Consolidation |
| Small Steps | Baseline and transition Key times of the day Positional language Where do things belong ETC | Baseline and transition Key times of the day Positional language Where do things belong ETC | 1) Match objects <br> 2) Match pictures and objects <br> 3) Identify a set | 4) Sort objects to a type <br> 5) Explore sorting techniques <br> 6) Creating sorting rules <br> 7) Compare amounts | 1) Compare size <br> 2) Compare mass <br> 3) Compare capacity | 4) Explore simple patterns <br> 5) Copy and continue simple patterns <br> 6) Create simple patterns | This week can be used to consolidate learning the children struggled with during the autumn term or revisit and extend concepts already taught <br> This week could also act as buffer for any units that needed to be extended due to AFL or can be used to start the next half terms content. |
